Hyland's

Hyland's introduces Calms Forté 4 Kids, a homeopathic medicine for children 2 years and older that combines eight botanical remedies to meet the needs of children suffering from symptoms related to nervous tension, sleeplessness and restlessness. Calms Forté 4 Kids also relieves other symptoms that can inhibit children from sleeping well, including night terrors, growing pains and sleeplessness from vacation travel. Calms Forté 4 Kids' easy-to-administer tablets dissolve almost instantly in the mouth. Its unique formulation works without side effects and won't interact with other medications, according to the company.
